

FOR IMMEDIATE RELEASE

**Immunizations Available at the Sheridan Clinic on August 21st**

The new school year is right around the corner. School starts in Sheridan on August 22<sup>nd</sup> and in Twin Bridges on August 23<sup>rd</sup>. Don't forget to confirm that your child's immunizations meet the Montana Department of Public Health and Human Services requirements. You can make an appointment for immunizations with the Madison County Public Health Nurse, Christine Durham, when she visits the Sheridan clinic (842-5056) on August 21<sup>st</sup>.

For information regarding public school immunization requirements, please visit [www.rubyvalleyhospital.com](http://www.rubyvalleyhospital.com) and see the "It's That Time of Year...." section for a link to the requirements. If you have questions regarding your child's immunizations, please contact your local health provider or the Madison County Public Health Department (843-4295).
